

Me In Honey

R.E.M.

I sat there looking ugly
Looking ugly and mean
I knew what you were saying
You were saying to meBaby's got some new rules
Baby, said she's had it with me
It seems a shame you waste your time on me
It seems a lot to waste your time for meLeft me to love
What it's doing to meThere's a lot of honey in this world
Baby, this honey's for me
You've got to do what you do
Do it with me
It seems a shame you waste your time for meLeft me to love
What it's doing to me
Oh, ohKnocked silly
Knock flat
Sideways down
These things they pick you up
And they turn you around
Say your piece
Say you're sweet for me
It's all the same to share the pain with me
It's all the same, save the shame for meLeft me to love
What it's doing to meBaby's got some new rules
Baby, says she's had it with me
There's a fly in the honey
And baby's got a baby with me
That's a part
That's a part of meLeft me to love
What it's doing to meLeft me to love
What it's doing to meWhat about me?
What about me?
Oh, oh, oh
