

Clockwork Angels

Rush

High above the city square
Globes of light float in mid-air
Higher still, against the night
Clockwork angels bathed in light
You promise every treasure, to the foolish and the wise
Goddesses of mysteries, spirits in disguise
Every pleasure, we bow and close our eyes
Clockwork angels, promise every prize
Clockwork angels, spread their arms and sing
Synchronized and graceful, they move like living things
Goddesses of light, of sea and sky and land,
Clockwork angels, the people raise their hands - as if to fly
All around the city square
Power shimmers in the air
People gazing up in love
At those angels high above
Celestial machinery - move through your commands
Goddesses of mystery, so delicate and so grand
Moved to worship, we bow and close our eyes
Clockwork angels, promise every prize
Lean not upon your own understanding
Ignorance is well and truly blessed
Trust in perfect love, and perfect planning
Everything will turn out for the best
Stars aglow like scattered sparks
Span the sky in clockwork arcs
Hint at more than we can see
Spiritual machinery
