

The Right Stuff (Psychemagik Rework)

Noel Gallagher's High Flying Birds

Out of the blue I heard an angel say
Give me your soul and I'll be on my way
You and I got the right stuff
You and I got the right stuff Are you a sleeper or the mortal soul?
Are you the devil with a heart of gold?
You and I got the right stuff
You and I got the right stuff When your heart gets shattered
And your jeans get frayed
and your baby sings the morning at the end of the day When your heart gets shattered
And your jeans get frayed
and your baby sings the morning at the end of the day
