

# Come 4 Me

**ABRA**

I'm 'bout to dive in my honey  
Then flip that bed and make more money  
Go tell them girls you can't come for me  
Go tell the world they can't come for me, come for me I'm 'bout to dive in my honey  
Then flip that bed and make more money  
Go tell them girls you can't come for me  
Go tell the world they can't come for me, come for me
