Halo

Ane Brun

Remember those walls I built,
Well baby they're trumbling down,
They didn't even put up a fight,
They didn't even make up a sound.I found a way to let you in,
But I never really had a doubt,
Standing in the light of your halo,
I got my angel now.It's like I've been awakened,
Every rule I had you breakin',
It's the risk that I'm taking,
I ain't ever gonna shut you out.Eveywhere I'm looking now,
I'm surrounded by your embrace,
Baby I can see your halo,
You know your my saving grace,
You're everything I need and more,
It's written all over your face,
Baby I can feel your halo,
Pray it won't fade away.Hit me like a ray of sun,
Burning trough my darkest night,
You're the only one that I want,
Think I'm addicted to your light.I swore I'd never fall again,
But this don't even feel like falling,
Gravity can't forget,
To pull me back to the ground again.It's like I've been awakened,
Every rule I had you breakin',
It's the risk that I'm taking,
I ain't ever gonna shut you out.Eveywhere I'm looking now,
I'm surrounded by your embrace,
Baby I can feel your halo,
You know your my saving grace,
You're everything I need and more,
It's written all over your face,
Baby I can see your halo,
Pray it won't fade away.I can feel your halo, (away),
I can see your halo, (away),
I can feel your halo, (away),
I can see your halo.I can feel your halo,
I can see your halo,
I can feel your halo,
I can see your halo.I can feel your halo,

I can see your halo,
I can feel your halo,
I can see your halo.
