

# California Sex Lawyer

## Fountains of Wayne

I'm going coast to coast  
I'm going nationwide  
I got my hand on the trigger  
Got my girl by my side  
I got the looks that kill  
I got a license to love  
I got a German shepherd  
And his name is Doug I'm heading for the sun  
I'm gonna become A California sex lawyer  
Oh yeah  
A California sex lawyer  
Oh yeah  
A California sex lawyer  
Oh yeah  
Well, it's not fair, but baby, I don't care I got big ideas  
I got backup plans  
I got the cha-cha-charisma  
Got the sleight of hand  
I'm gonna do some damage  
Gonna bust some heads  
I'm gonna go the distance  
Then I'm going to bed I'm heading for the sun  
I'm gonna become A California sex lawyer  
Oh yeah  
A California sex lawyer  
Oh yeah  
A California sex lawyer  
Oh yeah  
Well, it's not fair, but baby, I don't care Ah  
Ah  
Ah  
Ah  
Ah  
Ah  
Ah  
Ah  
Ah  
Ah  
Ah

Ah

Ah

Ah

Ah

Ah I'm heading for the sun  
I'm gonna become a California sex lawyer

Oh yeah

A California sex lawyer

Oh yeah

A California sex lawyer

Oh yeah

Well, it's not fair

It's not fair

It's not fair, but baby, I don't care
