

Your Love (remix)

Chris Brown

Shawty i'ma only tell you
this once girl i need it
(Tonight)
And when i do it to you i'ma
do you right best believe it
All night long
(Baby right now)
When you lay in my arms
'Cause it ain't nothing like
Your love, Girl i want your love
Your love, Girl i need your love
Your love 2x
It's your love
When you give me a kiss
I give it right back,
Licking your lips
Do it like that, Baby
5'5 looking real fine.
Got me like the sun girl
Look at me rise,
Hot lil thang
up in my ride, I'm hard as hell
I ain't gon' lie, Ain't gon lie
Shawty bad
know she a keeper
and shawty did some thangs
I ain't even seen before
and shawty turn me into a believer
I can do whatever long as I don't mess her weave up
What my name is?
Gon' scream it
When i'm all in that thang, Shawty
'Cause we been playing this game all day
And now I'm ready to go all the way
And I'ma do it like aw sucky sucky now
We can role play girl give it to me now
I'm giving you a massage
Your booty like Nicki Minaj, Oh gosh
Shawty i'ma only tell you

this once girl i need it
(Tonight)
And when i do it to you I'ma
do you right best believe it
All night long
(Baby, right now)
When you lay in my arms
'Cause it ain't nothing like
Your love, Girl i want your love
Your love, Girl i need your love
Your love 2x

(Wooo) It's your love
Yeahh, Yeah!
When you give me a kiss, I give it right back
licking your lips
Do it like that, Baby
