

# Nobody Knows It But Me

## Tony Rich Project

(intro)

I wish I told her how I felt maybe she'd be here right now but, instead I pretend that I'm glad you went away

These four walls are closin' more every day

and I'm dying inside

and nobody knows it but me

like a clown I put on a show

The pain is real even if nobody knows

and I'm cryin' inside

and nobody knows it but me Why didn't I say

the things I needed to say

How could I let my angel get away

Now my world is just a tumblin' down

I can say it so clearly

but you're nowhere around Chorus

The nights are lonely, the days are so sad

and I just keep thinkin' 'bout the love that we had

and I'm missin' you

and nobody knows it but me I carry your smile when I'm broken in two

and I'm nobody without someone like you

I'm tremblin' inside and nobody knows it but me

I lie awake it's a quarter past three

I'm screamin' at night as if I thought

you'd hear me

Yeah my heart is callin' you

and nobody knows it but me How blue can I get

You could ask my heart

but like a jigsaw puzzle it's been torn

all apart

A million words couldn't say just how

I feel

A million years from now ya know

I'll be lovin' you still Chorus

The nights are lonely, the days are so sad

and I just keep thinkin' 'bout the love that we had

and I'm missin' you

and nobody knows it but me Chorus

Tomorrow mornin' I'm hittin' the dusty road

gonna find you where ever, ever you might go

I'm gonna unload my heart and hope

you come back to me... yeahhh  
said when the nights are lonely...The nights are lonely, the days are so sad
