I've Got Dreams To Remember

Edwin Mccain

I've got dreams to remember
I've got dreams, dreams to remember
Honey, I saw you there last night
Another man?s arms holding you tight
And nobody knows what I feel inside
I just walked away and cried
I've got dreams to remember
I've got dreams, I've got dreams to remember
I know you said that he was just a friend
But I saw you kiss him again and again
These eyes of mine, they don't fool me
Why?d he hold you so tenderly?
I've got dreams to remember
I?ve got dreams, dreams to remember
I still want you to stay
I still love you anyway

I don't want you to ever leave
Girl, you just satisfy me
I've got dreams
Tell you got a dream
I know you said that he was just a friend
But I saw you kiss him again and again
These eyes of mine, they don't fool me
Why?d you hold him so tenderly?
I've got dreams to remember
I've got dreams, dreams to remember
I've got dreams to remember
I've got dreams, dreams to remember
I've got dreams, dreams to remember
I've got dreams, dreams to remember
I've got dreams
