## Ash

save me  
i can't run this time  
am i under a spell?  
fighting for my life?  
so far gone  
can't turn it round  
i feel buried alive  
i am screaming outterror in your eyes, your heart is racing  
for the innocence we lost will not return  
we know we can't go on  
but we're still holding on  
don't let me be the one to drag you downin the silence  
in the lonely night  
when you're frozen with fear  
when you're paralyzed  
too delicate  
your fragile mind  
it's so hard to stay  
in love with lifeterror in your eyes, your heart is racing  
for the innocence we lost will not return  
we know we can't go on  
but we're still holding on  
don't let me be the one to drag you downi was fighting at your side  
a knowing partner in this crime  
a beating heart, a distant star  
we lost all we were fighting for  
all the hurt i kept within  
i blamed myself for everything  
for all the regret that remains  
for all the painterror in your eyes, your heart is breaking  
for the innocence we lost will not return  
we know we can't go on  
but we're still holding on  
don't let me be the one to drag you down  
to drag you down...
