Reason To Believe

Vonda Shepard

If I listened long enough to you
I'd find a way to believe that it's all true
Knowing that you lied straight-faced while I cried
Still I look to find a reason to believeSomeone like you makes it hard to live without
Somebody else
Someone like you makes it easy to give
Never think about myselfIf I gave you time to change my mind
I'd find a way just to leave the past behind
Knowing that you lied straight-faced while I cried
Still I look to find a reason to believeIf I listened long enough to you
I'd find a way to believe that it's all true
Knowing that you lied straight-faced while I cried
Still I look to find a reason to believe
