Number One

Playgroup

You say you wanna be down
Ive seen you run with every fool in town
What I see needs to be heard
Im the kinda cat who always gets his birdDont have to travel too far
I see you bumping in my motorcar
And I know you like what you see
Come on my plane and take a ride with meSay you want me
I know you do
How can I get through to youI wanna be, wanna be your number one
(Oh yeah, oh yeah yeah)
I wanna be, wanna be your number one
(Oh yeah, oh yeah yeah)Please dont play hard to get
(Dont go playing, girl)
You want the best
You aint seen nothing yet'Cause I always get what I want
(And you know it, girl)
And I want you and me
Making lots of funSay you want me
I know it's true
How can I get through to youI wanna be, wanna be your number one
(Oh, yeah, oh, yeah, yeah)
I wanna be, wanna be your number one
(Oh, yeah, oh, yeah, yeah)I wanna be, wanna be your number one
(Oh, yeah, oh, yeah, yeah)
I wanna be, wanna be your number one
(Oh, yeah, oh, yeah, yeah)Its all I really want, girl
All I really needI wanna be, wanna be your number one
(Oh, yeah, oh, yeah, yeah)
I wanna be, wanna be your number one
(Oh, yeah, oh, yeah, yeah)I wanna be, wanna be your number one
(Oh, yeah, oh, yeah, yeah)
I wanna be, wanna be your number one
(Oh, yeah, oh, yeah, yeah)I wanna be your number one
I wanna be your number one
I wanna be your number one
I wanna be your number oneYou are the number on my mind
I gotta be number one all the time
So why dont you take ride with me in my car
You dont have to travel too far, noTo the ends of the night

And everything you want
