Alone

Fabrika

The thoughts, the thing that's I don't know
?

it's all what keeps my mind clear
you laugh at ?
you can do what you want to
I need some time alone
between what answers
I need some time alone
don't talk to me
don't notice me
don't notice me
don't notice me

It's all what keeps my mind clear you laugh at?

not in the mood, not just to justify not to think of what a lie you can do what you want to

I need some time alone between what answers

I need some time alone don't talk to me don't notice me don't notice me don't notice me
