

We're Here for a Good Time (Not a Long Time)

Trooper

A very good friend of mine
Told me something the other day
I'd like to pass it on to you
'Cause I believe what he said to be true
He said we're here for a good time
Not a long time (not a long time)
So have a good time
The sun can't shine every day
And the sun is shinin' in this rainy city
And the sun is shinin', ooh, isn't it a pity
And every year has its share of tears
And every now and then it's gotta rain
We're here for a good time
Not a long time
So have a good time
The sun can't shine every day
And the sun is shinin' in this rainy city
And the sun is shinin', ooh, isn't it a pity
And every year has its share of tears
And every now and then it's gotta rain
We're here for a good time
Not a long time
So have a good time
The sun can't shine every day (sun can't shine every day)
We're here for a good time (here for a good time)
Not a long time (not a long time)
So have a good time (have a good time)
The sun can't shine every day (the sun can't shine every day)
(The sun can't shine) We're here for a good time
(we're here for a good time)
Not a long time (not a long, not a long time)
So have a good time (have a good time)
The sun can't shine every day (the sun can't, the sun can't shine, the sun can't shine)
So have a good time (have a good time)
The sun can't shine every day (the sun can't shine every day)
We're here for a good time
Not a long time (not a long time)
So have a good time (have a good time)
The sun can't shine every day (I know, I know, I know)
We're here for a good time (we're here for a good time)
Not a long time (not a long, long, long, long, long, long time)
So have a good time
The sun can't shine every day
