

# What Would Jay-z Do?

Ben Lee

I wanna look sharp, be strong  
Refuse when I know it's wrong  
I want you to know my name  
I want the hottest chick in the game  
I want a big heart and I want a big car  
I wanna be a self-made man  
I wanna know the things  
That he understands  
What does he do  
When he's lost and confused  
What would Jay-Z do?  
When I'm feeling blue  
What would Jay-Z do?  
I wanna pay my dues  
A better life I wanna choose  
I wanna seize the day  
Vacation in St. Tropez  
I wanna grow through the pain

I wanna change the game  
But it's times like these  
When life brings me to my knees  
What does he do  
When it's hard to get through  
What would Jay-Z do?  
(What would Jay-Z do?)  
I'm talking to you  
What would Jay-Z do?  
Oh yeah, 'cause you are you and I am not  
So come on, show me what you got  
You are you and I am not  
So come on, show me what you got  
What would Jay-Z do?  
What would Jay-Z do?  
What would Jay-Z do?  
I'm talkin' to you  
What would Jay-Z do?
