

Into The Blue

Bush

Slick like a sExplainerpent's love
The queen on her knight machine
Into the blue again
Worse than I've ever beenBondage on most days
The freedom of the night
I waited at the corner for you
By the orange lamp light[Chorus]
Your flowers are hand grenades
Your words are weapons of their mind
You speak with an innocence
You can't be satisfied
Alive in the madness
In the contours of your heartInto the blue again
Into the blue again
Blue blue blueYour head is so open
You read like a book
I wish I was young again
I wish I was goodI wish I forever
Was tangible
I wish for constellations
To keep you faithful[Chorus]Into the blue again
Into the blue againI see the warning signs
Don't let them rain on you
I-I see the warning signs
Don't let them rain on youYou hurt cause I love you
I never thought you would
Slipping away again
In this burning book[Chorus]Into the blue again
Into the blue again
Into the blue again
Into the blue againYour flowers are hand grenades
Your flowers are hand grenades
Into the blue again
Again
