What Does The Deep Sea Say?

Tim O'Brien

Where is my sailor boy? Where is my sailor boy?
He sleeps at the bottom of the deep blue sea
And he can't come back to meI stand on the beach alone and gaze at the misty blue
Deep sea, as you hold him to your breast
Does he mention my name to you?What does the deep sea say? What does the deep sea say?
It moans, it groans, it splashes and it foams
And it rolls on its weary wayOh, please tell me, deep blue sea, is he sleeping peacefully?
The winds from the north are blowing icy cold
Please keep him warm for meIf only my dreamin' soul, some token of love could find
If only the waves would show me where he sleeps
Then I'd leave this world behindWhat does the deep sea say? What does the deep sea say?
It moans, it groans, it splashes and it foams
And it rolls on its weary wayA beautiful rose one day, I placed on the crest of a wave
I said, "Take it please and let the petals fall
Above his watery grave"The driftwood I watched in vain, my rose never came back again
So wave take another message to my love
Sayin', "I'll be here above"What does the deep sea say? What does the deep sea say?
It moans, it groans, it splashes and it foams
And it rolls on its weary way
