## Bad Chickens

Bound up the stairs
I'm in the shower
Do you know I am going to leave you?
Do you know I am going to leave you?
I'm in love with a dying man.
I'm in love with a dying man.
All our love is flying in the sand.
I'm in love with a dying man.
I'm in love with a dying man.
I've done every thing I can.
Tell me about Brian and his girl
Do I know Brian is going to meet you?
Love you, I do.
Stay here, I won't.
As stars fade from your eyes.

I'm in love with a dying man.
I'm in love with a dying man.
All our love is flying in the sand.
I'm in love with a dying man.
I'm in love with a dying man.
I've done every thing I can.
One, two, make it fun.
Don't trust anyone.
One two, make it fun.
Don't trust anyone.
I'm in love with a dying man.
I'm in love with a dying man.
I have done every thing I can.
I'm in love with a dying man.
I'm in love with a dying man.
I have done every thing I can.
