My car don't work
And my amp don't work
And my girl don't work
This ain't working for me
My car is broke
And my amp is broke
And my girl is broke
This ain't workin' for me
This ain't workin' for me
This ain't workin' for me
This ain't workin'
Woah, woah, woah, woah
Yeah, yeah, yeah, yeah
My car don't work
And my amp don't work
And my girl don't work
This ain't working for me
For me
My car is broke
And my amp is broke
And my girl is broke
This ain't workin' for me
This ain't workin' for me
This ain't workin' for me
This ain't workin'
Woah, woah, woah, woah
Yeah, yeah, yeah, yeah
Woah, woah, woah, woah
Yeah, yeah, yeah, yeah
My car don't work
And my amp don't work
And my girl don't work
This ain't working for me
This ain't workin' for me
This ain't workin' for me
This ain't workin'
Woah, woah, woah, woah
Yeah, yeah, yeah, yeah
