

# Blissful Queen

## Veruca Salt

Blissful queen  
Magazine  
Making art  
Stuck between  
Limousines  
Break my heart You got me running  
But I can't see you coming baby Blissful queen  
Sweet sixteen  
Brand new car  
Hit machine  
Keep her clean  
Razor sharp You got me running  
But I can't see you coming baby
