

# Freewheel Burning

## Judas Priest

[Incomprehensible]Fast and furious  
We ride the universe  
To carve a road for us  
That slices every curve in sight  
We accelerate, no time to hesitate  
This load will detonate, whoever would contend its right  
Born to lead at breakneck speed  
With high octane we're spitting flames  
Freewheel burning  
Freewheel burning  
On we catapult  
We're thrusting to the hilt  
Unearthing every fault  
Go headlong into any dare  
We don't accept defeat  
We never will retreat  
We blaze with scorching heat  
Obliterations everywhere  
Born to lead at breakneck speed  
With high octane we're spitting flames  
Freewheel burning  
Freewheel burning  
[Incomprehensible][Incomprehensible]Freewheel burning, freewheel burning  
Freewheel burning, freewheel burning  
Freewheel burning, freewheel burning  
Freewheel burning, freewheel burning  
Something is burning
