

Why I Love U

Sean Nicholas Savage

Pillows
Fighting
Always
Biting
Slowing
Movement
Never
Showing
Trying
Leaving
Leaving
Trying
Harder
Welcome
Blankets
Lightning
Storm
Chasing slow
Drizzle on my window
Aww
Through
Guess that's why I love you
It feels so good
Feels so bad
Guess that's why I love you
Feels so good
Feels so bad, too
Guess that's why I love you
Diamonds
Piloting ourselves
Whimpering trees
Grave stones
Billions walk
The railroads
Feels so good
So bad
Guess that's why I love you
'Cause it feels so bad
Oh, feels so good

Must be why I love you
Guess that's why I love you
It feels so good
Feels so bad
Guess that's why I love you
It feels so good
Feels so bad too
Guess that's why I love you
