All my Murder Gang niggas pulling up they with the shit

All my Billy Bros pulling up and hopping out with sticks

And then I pulled up in that rari, then I left in that M6
Bitch I'm really in the 6, and all my niggas with the shit
All my niggas selling bricks, walking round with extended clips
Young nigga ready to trip, young nigga get ya hit
Five thousand dollar nigga get a pussy nigga kilt[Hook:]
I got one foot in, one foot out
One foot in, one foot out
I really wanna rap but this trapping what I'm bout
Really wanna rap but this trapping what I'm bout
I got one foot in, one foot out
One foot in, one foot out
Catch me at the studio or at the trap house
Pull up right now I'll serve you right now
