

# Break Your Heart Right Back

Ariana Grande

I shoulda saw it comin'  
I shoulda saw the signs  
But I wanted to believe you, trust you  
You said you wouldn't lie  
But baby you were so good, so good  
You had me goin' blind  
You said it was your best friend, I'm guessing  
I wasn't your type, hey! What goes around comes around  
And if it goes up, it comes down  
I know you mad 'cause I found out  
Want you to feel what I feel right now Now that it's over  
I just wanna break your heart right back  
Right back  
Want you to cry me a river  
I just want to break your heart right back  
Hey, all this time, I was blind running 'round telling everybody My baby loves me  
My baby loves me  
My baby  
My baby  
My baby loves me You said I was your best, would be your last  
Now he's gone, you're alone  
Don't want you back  
You're tellin' me you're sorry  
Well sorry, my friend  
'Cause I've already been there done that  
Ain't doin' this again  
No What goes around comes around  
And if it goes up, it comes down  
I know you mad 'cause I found out  
Want you to feel what I feel right now Now that it's over  
I just wanna break your heart right back  
Right back  
Want you to cry me a river  
I just want to break your heart right back  
Hey, all this time, I was blind running 'round telling everybody My baby loves me  
My baby loves me  
My baby  
My baby  
My baby loves me My baby loves me

My baby loves me  
My baby  
My baby  
My baby loves me Listen, you got a man but your man ain't loyal  
Don't understand how to spell it out for ya  
Yes I'm G, from the A, and they ask why  
Sorry had to tell you, I'm a nice guy  
Naw, I'm a sick guy, money too much  
I step on stage and girls move too much  
The flow so gross, my nickname school lunch  
And he with them other guys, you know it's true 'cause  
G-A-M-B-I-N-O  
I know they hate but I don't know why, uh  
I know the way he did you was whack  
But I know how you can get dude right back Now that it's over  
I just wanna break your heart right back  
Right back  
Want you to cry me a river  
I just want to break your heart right back  
Hey, all this time, I was blind running 'round telling everybody My baby loves me  
My baby loves me  
My baby  
My baby  
My baby loves me My baby loves me  
My baby loves me  
My baby  
My baby  
My baby loves me Ooh, yeah  
Runnin' 'round town tellin' everybody  
Ooh, yeah  
Runnin' 'round town tellin' everybody  
Ooh, yeah  
Runnin' 'round town tellin' everybody  
Ooh, yeah  
Runnin' 'round town tellin' everybody I'm comin' out  
He's comin'  
I'm comin' out
