

Sixteen

Amen Dunes

I reason
Whatcha gonna do about it
Bad [?] place in my arm Sixteen and
Nothing you say or do'll matter
I try but [?] Whatcha gonna do about it someday
[?]
It's a typical divorce song Creator
Nothing left to savour
He's quick and shoots at the [?] Eyes
Full of fascination
[?] Whatcha gonna do about it someday
[?]
It's a typical dealer, you're gone Today
My love
You've gone Today
My love
You've gone Whatcha gonna do about it someday
[?]
It's a typical dealer
It gone Today
My love
You've gone
