

# It Ain't Easy

Steven Tyler

It's a lonely street I walk  
And my soul is all worn off  
Here comes the fear  
When you're out here on your own  
And everything you loved is gone  
Oh no, not me, not meant to be It ain't easy  
When you're out there searchin' tryin' to find the one  
Yeah, it ain't easy  
Lookin' for the hand that holds the smokin' gun  
It's like tryin' to squeeze a drop of rain out of the sun  
Ooh Even if I could let go  
Of this high wire circus show  
I'm at fault, all the way  
Yeah, you're still gonna hear me say It ain't easy  
When you're out there searchin' tryin' to find the one  
Yeah it ain't easy  
Lookin' for the hand that holds the smokin' gun  
It's like tryin' to squeeze a drop of rain out of the sun  
Ooh I hear everybody sayin' that it's true  
When you stop lookin' for it, it finds you  
But it ain't easy  
It ain't easy It ain't easy  
When you're out there searchin' tryin' to find the one  
Yeah, it ain't easy  
Lookin' for the hand that holds the smokin' gun  
It's like tryin' to squeeze a drop of rain out of the sun It ain't easy  
I could say it is but when it's said and done  
It ain't easy for no one
