Not Ok

Kay Cola

Eyes are so perfect, the perfect shade of gray
And when you laugh, they light up your whole face
I love that I know you, I know what you're gonna say
But I'll play along anywayI already went through your phone
So good luck with her, I'm so doneI can't wait for you to call me
Just so I can ignore it
Babe, boy I see you're calling
But I ain't messin' with you baby
And I can't wait to see you
Just to act like I don't know you, babe
I already told you, I ain't messin' with you
Not not not OK
Not not not OK
Not not not OK
I ain't messin' with youSendin' me flowers, sendin' messages every day
How sweet it is of you to think of me
Does she know you still love me?
And she's your big mistake, does she play along anyway?I bet she already went through your phone
So good luck with her, I'm so doneI can't wait for you to call me
Just so I can ignore it
Babe, boy I see you're calling
But I ain't messin' with you baby
And I can't wait to see you
Just to act like I don't know you, babe
I already told you, I ain't messin' with you
Not not not OK
Not not not OK
Not not not OK (Montana!)
I ain't messin' with youHaaan, I'mma fall way back
All that weird shit, we don't play that
Suited up like a court case
Birds on my arms like Ghostface
I'mma keep it 100 with you
'Cause I ain't tryna fuck with you
Shawty fell in love with a rider
Was in the wrong place when I found her
Ah, every other city we go
Same song, same video, from L.A. to the N.O.I can't wait for you to call me
Just so I can ignore it

Babe, boy I see you're calling
But I ain't messin' with you baby
And I can't wait to see you
Just to act like I don't know you, babe
I already told you, I ain't messin' with you
Not not not OK
Not not not OK
Not not not OK
I ain't messin' with you
