Shots Is Fired

Evan Dando

There are a million things you'll never get to do
You had your way before and where'd it get you to
Waking up on the floor and sleeping in your shoe
Already too much change in the reflecting poolWhatever part of you that's been calling the shots is fired
Whatever part of you that's been calling the shots is firedThere are a million things you'll never get to do
You had your way before and where'd it get you to
Waking up on the floor, your sleeping in your shoe
Already too much change in the reflecting poolWhatever part of you that's been calling the shots is fired
Whatever part of you that's been calling the shots is fired
