Fuck The World

The Vines

Fuck, fuck this shit, fuck, give it to me
If I only could, I'd set the world on fire
If I only could, I'd set the world on fire
If I only could, I'd set the world on fire
Say, "Fuck the world", fuck the world
If I only could, I'd set the world on fire
Fuck em? all, fuck em? all
Fuck you, fuck me, fuck us
Fuck Tom, fuck Mary, fuck Gus
Fuck Darius, fuck the West Coast
And fuck everybody on the East
Eat shit and die, or fuck off atleast
Fuck pre-schoolers, fuck rulers
Kings and queens and gold jewelers
Fuck wine coolers
Fuck chickens, fuck ducks
Everybody in your crew sucks, dumb muthafucks
Fuck critics, fuck your review
Even if you like me, fuck you
Fuck your mom, fuck your mom's mamma
Fuck the Beastie Boys and the Dali Lama
Fuck the rain forest, fuck a Forrest Gump
You probably like it in the rump, fuck a shoe pump
Fuck the real deal, and fuck all the fakes
Fuck all 52 states, ooh
And fuck you, fuck you
If I only could, I'd set the world on fire
Say, "Fuck the world", fuck the world
If I only could, I'd set the world on fire
Fuck 'em all, fuck 'em all
If I only could, I'd set the world on fire
Say, "Fuck the world", fuck the world
If I only could, I'd set the world on fire
Fuck 'em all, fuck 'em all
Fuck Oprah, fuck opera, fuck a soap opera
Fuck a pop locker and a cock blocker
Fuck your girlfriend, I probably did her already
Fuck Kyle and his brother Tom Petty, Jumpsteady
My homie fuck 'em, what are ya gonna do

Fuck that bitch, fuck you
Yeah, well, fuck you too
Don't bother to analyze these rhymes
In this song I say fuck 93 times
Fuck the President, fuck your welfare
Fuck your government and fuck Fred Bear
Fuck Nugent, like anybody gives a fuck
You like to hunt a lot, so fuckin' what
Fuck disco, Count a Monte Cristo
Fuck Cisco, and Jack and Jerry Brisco
And fuck everyone that went down
With the Titanic, in a panic
I'm like, fuck you all
If I only could, I'd set the world on fire
Say, "Fuck the world", fuck the world
If I only could, I'd set the world on fire
Fuck 'em all, fuck 'em all
If I only could, I'd set the world on fire
Say, "Fuck the world", fuck the world
If I only could, I'd set the world on fire
Fuck 'em all, fuck 'em all
Fuck Celine Dion and fuck Dionne Warwick
You both make me sick, suck my dick
Fuck the Berlin Wall, both sides of it
And fuck Lyle Lovett, whoever the fuck that is
Fuck everybody in the hemisphere
Fuck them across the world and fuck them right here
You know the guy that operates the Rouge river draw bridge
In Delray on Jefferson? Fuck him
Fuck your idea, fuck your gonorrhea
Fuck your diarrhea, Rocky Miavia
Fuck your wife, your homie did, he's fuckin' you
Fuck the police and the 502
Fuck Spin, Rolling Stone, and fuck Vibe
Fuck everybody inside
Whoever's on the cover, fuck his mother
Fuck your little brother's homie from around the way
And fuck Violent J
