

I Love You

Debelah Morgan

[CHORUS:]

I love you

Wherever you are

It don't matter

It don't matter how far

'Cause I love you

I'll do anything

For your love

I'll do anything

For your love

Every time I close my eyes

I look inside myself

When I see you standing

There I see love

Love the most

Precious gift of them all

I really love him so

I'll never let him go

He's always in my heart[CHORUS:]All my friends think

I'm crazy (crazy)

But the more love I give

The more secure

I feel in your arms

Love, love, gets me high

I really love him so

I'll never let him go

He's always in my heart[CHORUS:]Please understand

How I feel

I got a love that's

So real my baby

I feel it deep in my heart

No one and nothing

Will ever tear us apart[CHORUS:]
