

# FeedBack (feat. Hen Halay) [Radio Edit] [Remix]

## Angelino Loren

Light Skin, Dark Skin, My Asian Persuasion,  
I Got them all that's why these girls out here hatin  
Cause I'm sexy

Do you like my style?  
(Yeah that sexy sexy sexy)  
Like I rock it down  
(Yeah that sexy sexy sexy)  
You can work me out  
(Yeah that sexy sexy sexy)  
Let me show you how  
(Yeah that sexy sexy sexy)

So here's my demonstration  
A peep show  
Tonight my body's an exhibition baby  
Though it's on display don't be scared to  
Touch It, It said so  
So come and get it babe

Strum me like a guitar blow out my amplifier  
When you hear some feedback keep going take it higher  
Crank it up give it to me come on  
Crank it up give it to me come on  
I'm gonna feedback feedback oh  
Feedback feedback oh  
Crank it up give it to me come on  
Crank it up give it to me come on  
I'm gonna feedback feedback oh  
Feedback feedback oh

You like it how I work my spine

Got you feeling all hypnotized (hypnotized)

I gotta body like a CL5

Make a\*\*\*\*\* wanna test drive but I'm so on fire

Flyer than a pelican find another chick better than I don't see her

Cause my swag is serious

Something heavy like a first day period

Strum me like a guitar blow out my amplifier

When you hear some feedback keep going take it higher

Crank it up give it to me come on

Crank it up give it to me come on

I'm gonna feedback feedback oh

Feedback feedback oh

Strum me like a guitar blow out my amplifier

When you hear some feedback keep going take it higher

Crank it up give it to me come on

Crank it up give it to me come on

I'm gonna feedback feedback oh

Feedback feedback oh

Crank it up give it to me come on

Crank it up give it to me come on

I'm gonna feedback feedback oh
