## Elize

He puts the music on
He puts the music on
He puts the music onYou, you hit me in my heart
You hit me from the start
You've got me in my heartNow whenever you're around
You sweep me off the ground
You've got me in my heartShake me, move me
Baby now the heat is on
Shake me, move me
I gotta get my beat back
Gotta get my beat backShake
He puts the music on
Me heart just goes along
I'm loosing it, I gotta get my beat back
Shake
He puts the music on
Me heart just goes along
I'm loosing it, I gotta get my beat backNow the beating of me heart
Is tearing me apart
You've got me in my heartOh, I'm feeling like a fool
I gotta play it cool
You've got me in my heartShake me, move me
Baby now the heat is on
Shake me, move me
I gotta get my beat back
Gotta get my beat backShake
He puts the music on
Me heart just goes along
I'm loosing it, I gotta get my beat back
Shake
He puts the music on
Me heart just goes along
I'm loosing it, I gotta get my beat backShake, shake, shake
Gotta get my beat back
Shake, shake, shake
Gotta get my beat back
ShakeShake
He puts the music on
He puts the music on

He puts the music onShake me, move me
Baby now the heat is on
Shake me, move me
I gotta get my beat back
Gotta get my beat backShake
He puts the music on
Me heart just goes along
I'm loosing it, I gotta get my beat back
Shake
He puts the music on
Me heart just goes along
I'm loosing it, I gotta get my beat backShake, shake, shake
Gotta get my beat back
