

Forever (Re-Recorded)

As I Lay Dying

Forever, your eyes will hold the memory
I saw your heart as it overtook me
We tried so hard to understand and reason
But in that one moment, I gave my heart away I gave my heart away
In that moment, I gave my heart away
In that moment, I gave my heart away With that perfect breath where my mind lay beside me
And all I knew is what had overtaken me
With no reason, I am comforted by inability to understand Forever, your eyes will hold the memory
I saw your heart as it overtook me
We tried so hard to understand and reason
But in that one moment, I gave my heart away I gave my heart away
In that moment, I gave my heart away
In that moment, I gave my heart away Forever your eyes will hold the memory
Forever your eyes will hold the memory
Forever your eyes will hold the memory When I wake from this dream
Will your smile still open my heart and leave me transparent?
When I wake from this dream
Will your smile still open my heart?
