

# The Imperial Clans

## Arghoslent

Disposed to exercise  
Absolute authorityThe dark windows of time  
Reveal my charming desires  
Impelling need to dominate  
Establishing my dynastyDynamic addiction  
Impels men to rule  
Enforcing masterdom  
On subaltern breedsThe dark windows of time  
Reveal my charming desires  
Impelling need to dominate  
Establishing my dynastyAbjuring the cross of the holy celibates  
We have always been perverse hedonists  
Eliminating fools with supreme strategy  
Denizens and slaves you have failed to adaptThe Imperial Clans
