Ruby Over Diamonds

Kashmir

what a wonder
it is to see you
what a wonder
it is to feel youI found your hideout
in the rubble
where you can cry out
when you're in troublenow I want to be
in your hide and seek
now I want to make childrendo I scare you
or make you frightened
don't you dare to move
the rope's will tightenis it over
does it hurt you
all I wanted was
to divert younow I want to be
in your hide and seek
now I want to make
love to, love to, love to youyou're the glacier
I'm the bonfire
you're the treasure
that I desireyou're the ruby
over diamonds
shy and moody
you're a wonder
wonder
