Broken Wings

Pure

Thank you for being such a friend to me
Oh I pray a friend for life,
And have I ever told you how much you mean to me?
Oh, you're everything to me
And I am so lost for words
And I am so overwhelmed
Please don't go just yet
Can we stay a moment please
We can dance together
We can dance forever
Under your stars tonight

And I am so overwhelmed
Buy a thousand broken wings
A thousand broken wings
So close your eyes, but don't dream too deep
And please pass me some memories
And when I fall you're underneath
1000 broken hearts
Carried by 1000 broken wings
1000 broken wings
A thousand broken wings (a thousand voices singing reasons understanding why it happens) x3
