Burnt

Econoline Crush

slow burn decay
nothing beats a fade
not like i'd know
not like it'd show
not like i'd ever be the same
i don't care
i miss the secrets shared with you
i miss the innocence of youth
i always thought we'd have it all
nobody can change a thing
nobody can mend the pain of you
cold blank stare
empty and bare
someone i knew
someone like you
someone i'll never see again
i don't care
