

Too Experienced

Winston Francis

[verse one (ms dynamite):]He doesn't want me around,
He's got something to hide.
I think he wants a clown,
Someone to take for a ride.
What I keep tellin' him..

[chorus:]I'm too experiences to be taken for a stroll,
Too experienced for someone to rock 'n' roll.
I'm too experienced to be taken for a ride,
And I know it's not my foolish pride.

[verse two (ms. dynamite):]He hates the sight of me,

Because I turned his offer down.
He's always sayin' we were meant to be,
Somehow he thought I'd be his clown.

But this is what I say.

[verse three (barrington levy):]She doesn't want you around,
Because you have too much to hide.
I think you are a clown,
Not fit to be a bonafide.
But I'm tellin' you,
She's too experienced to be taken for a stroll,
Too experienced for someone to rock 'n' roll.
Too experienced to be taken for a ride,
That's why her name is dynamite.
