

# Dancin' Monkey Don't Never Get to Be Kong

## Joe Cartoon

Do what I like and like what I do.  
I kinda hope you like it too.  
You don't like it well I ain't gonna do stuff I don't like just for you.  
Cause dancing monkey that ain't me.  
Dancin monkey don't never get to be king.  
Dancin monkey don't dance to their own song no no that dancing monkey don't never get to be Kong.  
So I'm gonna go where I'm gonna go.  
I'm going to reap whatever I sow.  
It might be good , it might be bad.  
It might be kickass , it might be sad.  
But I may never make it up the mountain  
Rocks are heavy and father time is counting  
well father time he ain't a nice guy  
but I would rather die trying than just trying not to die

I got no fear of failure  
I see a boat I'll F# in sale it  
I got me a girl for every port  
call me on the phone say Joe baby can have some more

So I'm goin tread where I'm going to tread  
I won't repeat what I've just said  
You go your way and I'll go mine  
Sun goin to shine where it goin a shine  
Just don't wanna waste no more time  
You wanna dance with monkeys I'll be kind  
but if you just want to shoot me off my building  
oh just remember that it's you not me you are killing

Do what I like and like what I do  
I kinda hope you like it too.  
You don't like it fuck you find another monkey to dance with you  
Cos dancin monkey that aint me ohhh no  
Dancin monkey don't never get to be king.  
Dancin monkey don't dance to their own song no no that dancing monkey don't never get to be Kong.
