Young Soulja The Realest

[hook] x2

Rub it girl, (She feinin') make it wet
rub it girl, (She feinin') make it wet
let me see what you can do (She feinin' for me)
let me see what you can do (She feinin' for me)[Verse one]

I met this girl, in the club/
In the v.i.p, it's groupy love/
Shake your booty, in my face/
Ain't we friends, on myspace/
Feel my pants I got an erection/
Didn't answer my phone I don't got reception/
Sike, its cuz I'm with you/
We can make love in the pri-vate room/
Please , don't call me usher/
One word to my goons and my boys will rush ya/
Yea, now back to the story/

Talking bout how this bop adores me/
If it aint bald the shave that cat/
Either do it now or holla back/
All this foreplay, got you funky/
Ride my dick girl, like a donkey/

Rub it girl, (She feinin') make it wet
rub it girl, (She feinin') make it wet

[verse two]

Rub it girl, make it wet/
My dick isn't, that hard yet/
Moan in my ear, and suck my neck/
I wanna bitch with no respect/
Let me shake it, all in your mouth/
Before I enter, it down south/
Looks like you just read my mind/
Climb on top, 69/
Yum this tasty delicious treat/
In your mouth just jerk my meat/
Youz a freak I know you is/
But I ain't havin' no kids/
