

Theme from M*A*S*H (Suicide Is Painless)

Manic Street Preachers

Through early morning fog I see
Visions of the things to be
The pains that are withheld for me
I realize and I can see
That suicide is painless
It brings on many changes
I can take or leave it if I please
I try to find a way to make
all our little joys relate
without that ever present hate
but now i know that it's too late
That suicide is painless
It brings on many changes
I can take or leave it if I please
That game of life is hard to play
I'm gonna lose it anyway
The losing card of some delay
So this is all I have to say
That suicide is painless
It brings on many changes
I can take or leave it if I please
The sword of time will pierce our skin
It doesn't hurt when it begins
But as it works its way on in
The pain grows stronger, watch it grin
That suicide is painless
It brings on many changes
And I can take or leave it if I please
A brave man once requested me
To answer questions that are key
Is it to be or not to be
And I replied oh why ask me
That suicide is painless
It brings on many changes
And I can take or leave it if I...
That suicide is painless
It brings on many changes
I can take or leave it if I please
That suicide is painless
It brings on many changes
And you can do the same thing if you please
