I'll Run

Yellow Ostrich

I can see it in your eyes you're scared
All these things they force you to do weren't fair
I'm here to chase away these tears
Baby we can chase away these fears
Because sometimes baby you fall on your back
But girl you're three times a lady I'll ever have
You know, you know it's true
This is a fight I refuse to lose
And I'll run
(And I'll run)
Have a little faith in me
You're scared and alone
And I'll run
(And I'll run)
This is where we both break free
I'll bring you home, you home, you home
I can hear it in your voice you care
Let me run my fingers through your hair
I'll keep you company at night
And baby I'm here to make this right
Because sometimes baby you fall on your back
But girl you're three times a lady I'll ever have
You know, you know it's true
This is a fight I refuse to lose
And I'll run
(And I'll run)
Have a little faith in me
You're scared and alone
And I'll run
(And I'll run)
This is where we both break free
I'll bring you home, you home, you home
Believe me and don't think twice
And don't leave me or say goodbye
Believe me, believe me tonight
Believe me and don't think twice
And believe me
And I'll run
Have a little faith in me

You're scared and alone
And I'll run
(And I'll run)
Have a little faith in me
You're scared and alone
And I'll run
(And I'll run)
This is where we both break free
I'll bring you home, you home, you home
Have a little faith in me
Have a little faith in me
Have a little faith in me
If you have a little faith in me
