

Heart (2001 Remaster)

Pet Shop Boys

Every time I see you
Something happens to me
Like a chain reaction
Between you and me My heart starts missing a beat
My heart starts missing a beat
Every time, oh oh oh, every time
Oh oh oh, every time If I didn't love you
I would look around for someone else
But every time I see you
You have the same effect My heart starts missing a beat
My heart starts missing a beat
Every time, oh oh oh, every time
Oh oh oh, every time Every time I hear your heart beat next to me
I'm in love with you, I mean what I say
I'm in love with you and you don't know
What it means to be with you Beat, beat, beat, h-h-heartbeat
Beat, beat, beat, h-h-heartbeat Every time I see you
No matter what we do
There's a strange reaction
Can you feel it too? My heart starts missing a beat
My heart starts missing a beat
Every time, oh oh oh, every time
Oh oh oh Every time I hear your heart beat next to me
I'm in love with you, I mean what I say
I'm in love with you and you don't know
What it means to be with you Oh oh oh, every time
Oh oh oh, every time
Oh oh oh, every time
Oh oh oh, every time Beat, every time
Beat, every time
Beat h-h-heartbeat Beat h-h-heartbeat
Beat h-h-heartbeat
Beat h-h-heartbeat
H-h-heartbeat
