

# Power & Control

## Marina and The Diamonds

Power and control,  
Give a little, get a lot,  
That's just how you are with love.  
Give a little, get a lot,  
Yeah, you may be good looking,  
But you're not a piece of art.

Power and control,  
I'm gonna make you fall.  
Power and control,  
I'm gonna make you fall.

Women and men we are the same,  
But love will always be a game,  
We give and take a little more,  
Eternal game of tug and war.

Think you're funny, think you're smart,  
Think you're gonna break my heart.  
Think you're funny, think you're smart,  
Yeah, you may be good looking,  
But you're not a piece of art.

Power and control,  
I'm gonna make you fall.  
Power and control,  
I'm gonna make you fall.

Women and men we are the same,  
But love will always be a game,  
A human vulnerability  
Doesn't mean that I am weak

That I am weak, I am weak,  
I am weak, I am weak, weak,  
(Ah-ah, ah ah, ah ah, ah ah), weak,  
(Ah-ah, ah ah, ah ah, ah ah), weak,  
(Ah-ah, ah ah, ah ah, ah ah), weak,  
(Ah-ah, ah ah, ah ah, ah ah), weak,

Power and control,  
Iâ€™m gonna make you fall.  
Power and control,  
Iâ€™m gonna make you fall.

Women and men we are the same,  
But love will always be a game.  
We give and take a little more,  
Eternal game of tug and war.

Power and control,  
Iâ€™m gonna make you fall.  
Power and control,  
Iâ€™m gonna make you fall.  
Iâ€™m gonna make you fall,

We give and take a little more,  
â€˜Cause all my life Iâ€™ve been controlled,  
You canâ€™t have peace without a war,  
Without a war, without a war.
