Lights out, TKO[Verse 1]

Baby, everyday in training to get the gold

Thats why your bodys crazy

But you cant run from yourself, thats where its difficult

Girl I can see in your eyes that theres something inside that made you evil

Where did you go, cause it just aint fair

Over here thinking bout the sh-t you say

Dont know why it gets to me[Bridge]

It cuts right on my eye, yeah it hurt, wont lie

Still cant see, think I saw you with another guy

Cant fight, knocked down, then I got over you

Cant fight no more, you knock me out

What am I supposed to do?[Chorus]

I dont understand it

Tell me how could you be so low

Been swinging after the bell and after all of the whistle blows

Tried to go below the belt, through my chest, perfect hit til the dawn, dammit babe

This aint the girl I used to know

No, not anymore, TKO[Post-Chorus]

Im out for the count

Yeah, girl, you knock me out

Its just a TKO

Im out for the count

Yeah, girl, you knock me out

With a TKO

T-TKO

Out for the count

Yeah, girl, you knock me out

With a TKO

Now, Im out for the count

Yeah, girl, you knock me out

With a TKO[Verse 2]
Baby, now I really know what were fighting for
This rematch sex is amazing
But nobody wins when if somebodys heart is slow
Cause when I see you move like you got something inside that made you lethal
Where did you go, it just aint fair
Over here thinking bout the sh-t you do
Dont know what I got to lose[Bridge]
It cuts right on my eye, yeah it hurt, wont lie
Still cant see, think I saw you with another guy
Cant fight, knocked down, then I got over you
Cant fight no more, you knock me out
What am I supposed to do?[Chorus]
I dont understand it
Tell me how could you be so low
Been swinging after the bell and after all of the whistle blows
Tried to go below the belt, through my chest, perfect hit til the dawn, dammit babe
This aint the girl I used to know
No, not anymore, TKO[Post-Chorus]
Im out for the count
Yeah, girl, you knock me out
Its just a TKO
Im out for the count
Yeah, girl, you knock me out
With a TKO
T-TKO
Out for the count
Yeah, girl, you knock me out
With a TKO
Now, Im out for the count
Yeah, girl, you knock me out
With a TKO[Spoken - Timbaland]

See what you doing, girl?

Girl, girl, girl
You knock me right out

Girl, girl, girl
You knock me right out

Cant fight, knocked down, then I got over you
Cant fight no more, you knock me out
What am I supposed to do?[Chorus]
I dont understand it
Tell me how could you be so low
Youve been swinging after the bell and after all of the whistle blows
