

# The Price

## Atomic Rooster

I just won't want your love. (no I don't, no I don't.)  
I just won't have your love. (no I don't, no I don't.)  
I just won't want your love. (no I don't, no I don't)  
I just won't have your love. (no I don't, no I don't)

If I had known the truth before, I never would have stayed.  
If I had looked behind your eyes and seen beyond the grave.  
I never would have saved my soul to buy a harp for me.  
But now the bargain has been made and saved, you wanted me.  
But now the bargain has been made and saved, you wanted me.

You can take my soul.  
You can have my soul.  
You can take my soul.  
You can have my soul.  
You can take my soul. (do it!do it!)  
You can have my soul. (do it!do it!)  
You can take my soul. (do it!do it!)  
You can have my soul. (do it!do it!)

When I see you I can't believe the deed that I have done.  
I could have had a million things but I chose only one.  
I sacrificed my soul for you,I cannot turn my fate.  
I look upon the one I love and all I feel is hate.

I just don't want your love. (no I don't,no I don't)  
I just won't have your love. (no I won't,no I won't)  
I just won't want your love. (no I don't,no I don't)  
I just won't have your love. (no I won't,no I won't)

I just don't want your love. (no I don't,no I don't)  
I just won't have your love. (no I won't,no I won't)  
I just don't want your love. (no I won't,no I won't)  
I just don't want your love. (no I don't,no I don't)

If I had known the truth before, I never would have stayed.  
If I had looked behind your eyes and seen beyond the grave.  
I never would have sold my soul to buy a harp for me.  
But now the bargain has been made and saved, you wanted me.

But now the bargain has been made and saved, you wanted me.

Now you got to pay the price.

I don't want to pay.

Now you got to pay the price.

I don't want to pay.

Now you got to pay the price.

I just don't want to pay.

Now you got to pay the price.

Oh, no, no, no, no, no, no.

Now you got to pay the price.

I don't want to pay.
