

It's A Dream

Dark By Design

In the morning when I wake up and listen to the sound
 Of the birds outside on the roof
 I try to ignore what the paper says
 And I try not to read all the news
 And I'll hold you if you had a bad dream
 And I hope it never comes true
'Cause you and I been through so many things together
 And the sun starts climbing the roof
 It's a dream, only a dream
 And it's fading now, fading away
 It's only a dream
 Just a memory without anywhere to stay
 The Red River still flows through my home town
 Rollin' and tumblin' on its way
 Swirling around the old bridge pylons
 Where a boy fishes the morning away
 His bicycle leans on an oak tree
 While the cars rumble over his head
 An aeroplane leaves a trail in an empty blue sky
 And the young birds call out to be fed
 It's a dream, only a dream
 And it's fading now, fading away
 Only a dream
 Just a memory without anywhere to stay
 An old man walks along on the sidewalk
 Sunglasses and an old Stetson hat
 The four winds blow the back of his overcoat away
 As he stops with the policeman to chat
 And a train rolls out of the station
 That was really somethin' in its day
 Picking up speed on the straight prairie rails
 As it carries the passengers away
 It's gone, it's only a dream
 And it's fading now, fading away
 Only a dream
 Just a memory without anywhere to stay
 It's a dream, only a dream
 And it's fading now, fading away
 It's only a dream

Just a memory without anywhere to stay

It's a dream, only a dream

And it's fading now, fading away
