Once It Was Nice

Jonathan Bree

Once, it was nice
The trees had fairy lights
Reflecting in your eyesOnce, it was nice
The trees had fairy lights
Shining blue and whiteBut now their twinkle
And (?) misses your mindOnce, it was nice
We would walk the pier at night
Your sweet hand holding mineOnce, it was nice
We would walk the pier at night
To the carousel rideBut now it's dissolved
And (?) misses your mind
