

# Blood on My Hands

## Shackleton

Closed in around me  
The walls are like enemies  
Trying to trap me inside  
You are the same with your devious inklings  
Trying to take me for mine  
Well I don't know what you want from me  
I've given you everything  
Even the air I breathe  
And I don't know what you're trying to prove  
I've got nothing left to lose  
Either way  
I know I'm only  
Giving away the guilt in me  
Giving away complicity  
The feeling is surreal but the blood's still on my hands  
Guilty I may be but you're the epitome  
Blaming the world for your crimes

Soon comes the ending where I'll be left standing  
Alone here to die  
On my time  
Well I don't know what you want from me  
I've given you everything  
Even the air I breathe  
And I don't know what you're trying to prove  
I've got nothing left to lose  
Either way  
I know I'm only  
[chorus]I'll stay numb until the guilt is gone  
When blood stained on my hands is fading  
Fade...  
[chorus]
