Pure Imagination

Smoking Popes

Come with me and we'll be
In a world of pure imagination
Take a look and you'll see
Into your imagination
We'll begin with a spin
Traveling in a world of my creation
Look and see
We'll defy explanation[Chorus]
If you want to view paradise
Simply look around and view it
Anything you want to, do it
Want to change the world?
There's nothing to itThere is no life I know
To compare with pure imagination
Living there you'll be free
If you truly wish to be[Chorus]
